## IMAGINE YOUR PROSPECTS COMING FACE-TO-FACE WITH ZETOR POWER. AND SAYING "GOTTA-HAVE IT."

Zetor tractors are everything you'll ever want in the field. Because Zetor-Power delivers performance and extra safety. And then some!

Built on a heavyweight cast iron chassis Zetor outweighs almost every other tractor on the market. In any class. So you get the balanced power-to-weight ratio needed to do more with less horsepower.

In fact, Zetor's Series 33 and Series 43 tractors are built with the same power train as Zetor's larger Series 63 tractors. The only difference is in the horsepower. That power train, combined with Zetor's weight enables them to accomplish as much, if not more, on a 45 or 59 HP Zetor than you can get with a competitive tractor that has more horsepower.

All this adds up to Zetor-Power, plus a Two Year Warranty at a price you can afford.
